Gadre Marine Export

EU Approval No. 111

WHO WE'RE

Established in 1978, **GADRE MARINE EXPORT** has over the last four decades adopted the motto of '**ENDURANCE, INNOVATION and EXCELLENCE**'.

GADRE MARINE EXPORT enjoys the unique advantage of finest fishing harbors along the western coastline of India. All harbors are located closer and they offer all the fishing boats the privilege of one day fishing, just 100-150 km distance away from our company. Vannamei Shrimp supplied from our own shrimp farm, located at 25 km distance from company. Shrimp sourcing from Maharashtra, Andhra Pradesh and Gujarat by Contract farming with shrimp farmers with strictly controlled sustainable aquaculture methods.

-FACILITIES-

Block Freezing Capacity : 28-30MT Per Day each (2-Trolley Freezers)

IQF(Raw and Cooked)Capacity: 5MT Per Day

Total Production Capacity : 60MT/Day

GADRE MARINE EXPORT

QUALITY

We ensure consistent top quality because it sources fresh raw material. A fully equipped Microbiology laboratory and ELISA laboratory for screening of banned Antibiotics, modern quality control measures and successful implementation of HACCP Programme have made our facility EU certified (EU Approval No. 111). Our plant is HACCP compliant by Export Inspection Council of India and approved to export to EU, Russia, USA, Australia and other Non EU countries.
